Are You My Mother?

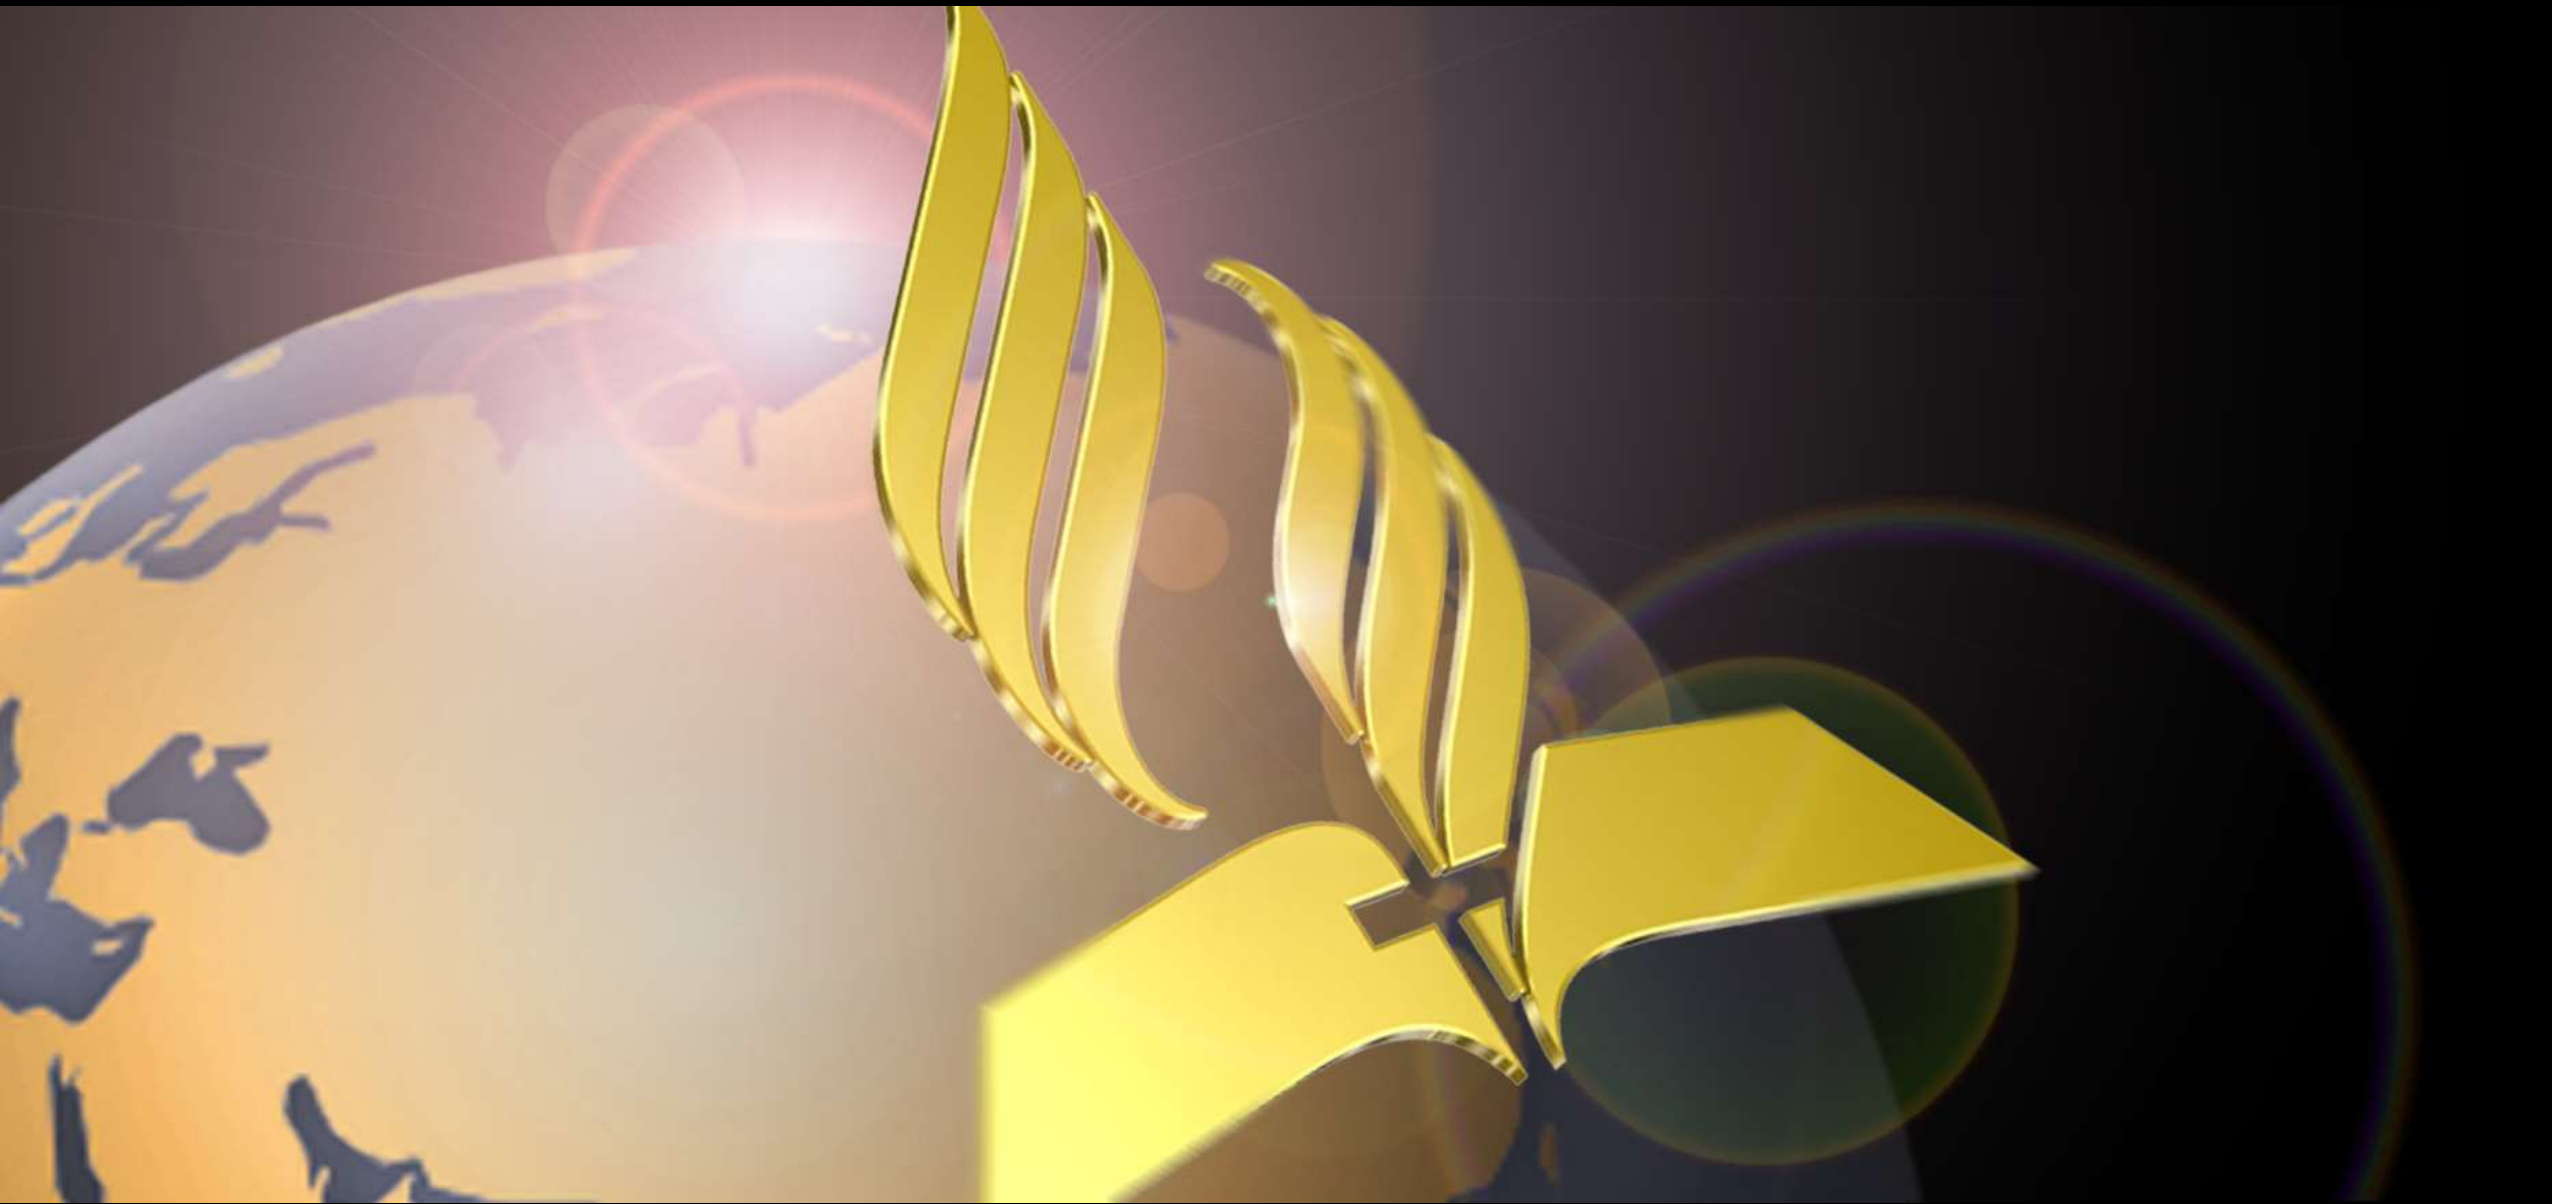

by P. D. Eastman

A monochromatic illustration of a man in a forest. The man is lying on the ground, appearing to be dead or unconscious. He is wearing a simple, light-colored tunic. A woman in a similar tunic is kneeling beside him, looking down at him with a sorrowful expression. The forest is filled with various animals: a bear stands on the left, a deer with large antlers is in the middle ground, a giraffe is on the right, and a gorilla is sitting on the ground near the man. In the foreground, two large birds, possibly cranes or herons, are standing. The background shows tall, thin trees and a misty atmosphere. The overall tone is somber and reflective.

A CLOSER LOOK AT SEVENTH-DAY ADVENTISTS IN AMERICA, PEW RESEARCH CENTER, NOV. 3, 2015

“Seventh-day Adventists make up one-half of 1% of the U.S. adult population (0.5%), little changed from 2007 (0.4%). That **stability** stands in contrast to U.S. Christians overall, whose share of the population has dropped by nearly **8 percentage points** over that same period.”

THE
DAYS OF NOAH
PART 2 OF 4

JUDGMENT HOUR

A man with dark hair and a mustache, wearing a white long-sleeved shirt and a dark vest, is seated at a dark wooden desk. He is looking down at a piece of paper, holding a quill pen in his right hand. On the desk to his right is a large, ornate glass oil lamp with a lit flame. In the background, another similar lamp is visible on a table. The scene is dimly lit, with the primary light source being the lamps, creating a warm, historical atmosphere.

SELECTED MESSAGES, BOOK 1, PAGE 121

A revival of **true godliness** among us is the **greatest** and **most urgent** of all our needs. To seek this should be our **first work**. Let the church arise, and repent of her backslidings before God.

SELECTED MESSAGES, BOOK 1, PAGE 121

The church must arouse to action. The Spirit of God can never come in until she prepares the way. There should be **earnest searching of heart**. There should be **united, persevering prayer**, and **through faith a claiming of the promises of God**. We have not the first reason for self-congratulations and self-exaltation. We should **humble** ourselves under the mighty hand of God.

SELECTED MESSAGES, BOOK 2, PAGE 384

We are Seventh-day Adventists. Are we ashamed of our name? We answer, 'No, no! We are not. It is the name the Lord has given us. It points out the truth that is to be the test of the churches.'

that God lives!

The image is a composite graphic. At the top, a horizontal strip shows a sequence of four figures: a dinosaur, a monkey, a monkey-like creature holding a bouquet, and a man in a suit. Below this strip, the text "Worship Him who made heaven and earth" is written in a bold, yellow, sans-serif font. The background of the entire image is a dark, circular frame with a grid pattern. In the foreground, a man is shown from the waist up, shirtless, with his arms raised in a gesture of worship or prayer. He is looking upwards. The background behind him is a lush, green landscape with a church building visible in the distance. The overall color palette is dominated by greens, blues, and yellows.
